UNDERGROUND STANDARD

This message is for the one's crazy enough to read the back of a magazine page: If you have a burning desire in your heart to do something or acquire something, the only thing that can stop you from achieving that is yourself. Trust me, talent isn't something that you're just born with, talent is acquired by passion and genuine curiosity... and also maybe a bit of fucking trauma I guess: Those that are strong enough to turn their past traumas into beautiful artworks or messages of inspiration are those that'll slowly but surely change the world. I truly believe that you can do anything if you put your mind to it, really. You may seem a little delusional, you may have to starve for a couple months/years/decades... you may have to watch your bank account get deactivated because you've had a negative balance for over a few months. Or even better, you may have to watch your credit score go from a middleground of 650 to FUCKING ZERO. Nonetheless, if you keep going, you will persevere. (fr bruh you got this) 雑誌の裏ページまで読むようなクレージーな奴らへ送るメッセージ: もし心の中にどうしても成し遂げたいことがあるなら、それを邪魔できる障ーの存在は“自分自身”だけだ。信じてほしい。才能ってのは、生まれつき持ってるものじゃない。情熱と本物の好奇心、そして...もしかしたらちよとしたトラウマから生まれるもんなんだ。過去の傷やトラウマを、美しいアートやインスピレーションの源に変える強さを持つ人間こそが、少しずつ、でも確実に世界を変えていくと俺は本気で信じてる。本気で信じて突き進めば、何だってできる。マジで。周りからはイカれてると思われるかもしれない。何ヶ月、何年、もしくは何十年も酷えるかもしれない。銀行口座がマイナス残高のまま数ヶ月放置されて、強制的に凍結されることだってある。もっと言えば、クレジットスコアが650からゼロまでぶっ飛ぶこともあるかもしれない。それでも、進み続ければ、必ず乗り越えられる。(マジで。お前ならできて、ほんとに。)
